

REACH WORKCAMPS

SUMMER MISSION TRIP

When: July 15 - July 22

Where: Eleanor, WV

Who: St. Paul's High School Students
plus hundreds of other high school students

What: Reach Workcamps is a weeklong mission of service to low income communities. Working with local agencies and/or local churches, the camps seek to make an impact on residents, communities, students and adult sponsors who attend. It is a life-changing experience as campers participate in activities that build community and self-esteem, encourages spiritual growth and enables them to understand their role in combating poverty.

Cost: The total cost of the trip is being determined but will likely be around \$600 per person. We are hoping to raise at least \$300 per person through fundraisers. A \$50 deposit will hold your spot and is due by March 1.
